

# 2017 Las Vegas Master & IM Players...

- If you are a listed **INTERMEDIATE PLAYER**, you are ineligible to play on a Regular Team. You can play on an Intermediate or Master Team. (**EXCEPTION:** One (1) Intermediate **FEMALE** will be allowed to play on an Open Regular Team.)
- If you are a listed **MASTER PLAYER**, you are ineligible to play on a Regular Team. You can play on a Master Team or you can play on an Intermediate Team if you are the only Master on that Intermediate Team.
- All players have the option of competing in a higher division than they are listed.
- Classic Singles and Senior Singles are only available for Regular Division players of proper age.

**It is very difficult to foresee every possible situation that can arise. Therefore, any player who hasn't played in the International Championships in the last 3 years, or entries of known Intermediate or Masters ability may be placed in a higher Division at the discretion of the Tournament Committee.**

**These lists are not all-inclusive as the Tournament Committee retains final discretion, in all cases, in placement of individuals and teams in the various Divisions. Also, those wishing to voluntarily move up to a higher Division are welcome.**

## The following VNEA Sanctioned Players have earned higher rankings for their participation in the 2017 Las Vegas International Pool Championships. CONGRATULATIONS!

*After an individual has been moved up to a higher division, if they do not win any prize money (exception mini's) for the next 3 years, they have the option of returning to the next lower division.*

**Please Review Thoroughly As Many Names Have Been Dropped from M to IM Or Removed From IM List**
