Here's a little bit about us... (you can also find out more at VNEA.com)

The **Valley National 8-Ball League Association (VNEA)** is a non-profit organization established to promote the game of pool on coin-operated equipment. The membership is comprised of men, women and junior players, coin machine operators and manufacturers.

Founded in 1979, the VNEA has shown tremendous growth, success and stability by expanding from 2,500 members the initial season to nearly 100,000 players currently.

These 100,000 men and women players will visit their local establishments two or three times a week and play more than ten million games of pool in competition and practice.

Over the years, teams from over 40 states, and over 20 foreign countries have competed each week in organized league play. These sanctioned players will receive:

- **Membership Patches / Pins** • **Official Publication - VNEA "8-Ball News & Views"** • **Awards Program**
- **Standardized Set of National Rules** • **Local, State and World Tournaments** • **Handicap & Rating Systems**

VNEA's very attractive, full-color magazine is posted bi-monthly to VNEA.com for all of our players, and the world, to enjoy. Reaching this vast market of pool enthusiasts offers an excellent vehicle and medium for advertisers who wish to promote their products or services, enhance their images and establish a competitive edge by communicating directly with our players and operator members.

The VNEA also offers advertisers the opportunity to promote their product at our **World Championships** held each year as follows:

Tournament Program - This two-color souvenir program featuring rules, events, previous champions and much more is read and retained by participants and attendees.

Tournament Booths - Booth space is available in the tournament room, which is a very popular and excellent opportunity to display your products and/or services.

Review the enclosed information and make the decision to become involved with the greatest association of its kind - **The Valley National 8-Ball League Association.**

Las Vegas... VNEA Style.

Each and every year, the VNEA puts on a season culminating tournament that is second to none in the world! Players from all over the country and the world compete for cash prizes and other tournament awards. This unique World competition is always fresh and exciting for the amateur players that travel across the country to take part. League Champion teams and other qualified players are cordially welcome to participate in this prestigious event. The annual event will take place at the beautiful **WESTGATE RESORT & CASINO** during the week of **Memorial Day**.

The VNEA spares no expense for this occasion, scheduling events from live entertainment to trick shot artistry to an illustrious Awards Banquet. The Tournament Committee works hard to ensure that the event is conducted in a smooth and professional manner in order to make the players feel comfortable and at ease. This is apparent by the growing number of players that the tournament is attracting. As the players increase, so does the cash prize money which will continue to grow and appeal to even more players.

The VNEA ball is rolling and now is the time to climb aboard and reap the benefits that the Association offers.
